Reno Public Meeting
October 4, 2001

JULIE RICE: Hi. My name is Julie Rice,

OCT 04 2001

552288

3 J-u-l-i-e R-i-c-e, and I've never spoken in public before
4 in my life so I'm terrified.

5 I brought my son Jack here because -- I guess
6 nobody is looking, but I wanted you people to see the
7 face of who's going to bear the brunt of it. It's not
8 you in your ivory tower, it's nobody making the
9 decisions. It's people like my son, and he's two, and
10 he's never hurt anybody, and I don't see why -- it's just
11 not fair. Look at these faces. These are the faces,
12 this cute little innocent face. It's nothing else but
13 these little faces that bear the brunt of it, and that
14 sucks, and you need to think more about the children and
15 less about your big, fat policy makers in Washington
16 because that's not what it's about. It's about the real
17 people.
